Announcement - scholarship at undergraduate/advanced level

The Department of Psychiatry and neurochemistry, Institute of Neuroscience and Physiology, hereby announces a vacant scholarship at undergraduate/advanced level in Molecular neurobiology.

Training plan

Subject: molecular neurobiology

Background: we study the pathogenesis of glioma which is a lethal cancer in the brain.

Purpose: to learn to culture glioma cells and perform calcium imaging. Brain tumor biology.

Method: cell culture, calcium imaging.

Time plan: October 2024

Learning outcome: develop as researcher. Be able to analyze calcium activity in glioma cells.

Period

2024-10-01 to 2024-10-31

Financing

1 payment of 15 000 SEK. A total of 15 000 SEK for the whole period

If you require any further information, please contact Erik Smedler, erik.smedler@gu.se, supervisor.

Application

To apply please fill out the form "Scholarship application" and send it to Erik Smedler, erik.smedler@gu.se, supervisor.

Please attach a copy of:

CV

Letter of motivation

Closing date is 2024-10-01.
