Education

Masters in Cultural Heritage Management

With specialization in memory studies, heritage law in Norway, museology and landscape studies. Studies on hold while I work for the University of Oslo

NTNU

Aug. 2022 – on hold.

Masters in Archaeology

Master thesis graded to top character (A). In the thesis I applied a discourse analytic tool to uncover what values modern buildings in Oslo represent. The material consisted of building application procedures. The aim was to discuss how the material elements of buildings also are part of giving them heritage values.
